Impressions is an Auckland based quartet formed seven years ago. Their impressive repertoire stretches from lively renditions of jazz standards and a mix of bebop, sambas, bossa novas, funk, blues, swing and contemporary jazz.

Featuring the smooth vocal tones of Maria O'Flaherty, keyboard virtuoso Ben Fernandez, accomplished bass player Russell McNaughton and the solid time keeper Alain Koestier on drums.

Together they bring a fresh approach to mainstream and contemporary jazz that will have your toes tapping and your senses stimulated. These guys (and gal) will show you that jazz is very much alive for Generation X.
