Soul blues mama Edna Love, from San Francisco, makes her NZ debut at our Nelson Festival. Edna is the Queen of Bay Area blues and soul and has headlined to lovers of authentic black, blues and soul music for many years.

Robbie McGregor Soper, also from San Francisco, is a highly regarded guitarist, singer and songwriter. He will perform his own material and covers of the greats as well as supporting Edna on guitar.

Diana Harris, from Los Angeles, performs her sexy, sultry jazz and blues in many leading LA venues and has performed with Marg Helberger (Catherine from CSI) at a recent charity concert. Diana was a smash hit at the 2008 Cook Islands Jazz and Blues Festival.

This promises to be a night to remember - 8 of the world's finest blues musicians and singers on one stage at one time and for one concert only. Be there!
