

# Rachel & Soulmates

**Rachel and her band may be local, but their material is international and their appeal is universal. A simple formula that delivers uncomplicated pleasure.**

Rachel Fallows - vocals  
Barry Korcheski - hammond organ  
Alex Behrens - drums

Rachel is a new Diva to the Nelson music scene performing at local venues, restaurants and cafes. Inspired by artists like Karen Carpenter, Tina Turner, and Nina Simone. Rachel's bluesy, smooth voice adds a new groove and dimension to pop, blues and jazz classics. Performing such songs as Ain't No Sunshine, Rainy Days and Mondays, and Sway reveals Rachel's true versatility in song choice. Rachel's sultry smoothness, infectious personality and passion to sing from deep in her soul generate a perfect audience experience.

Rachel is backed up with two solid musicians supporting her with essential soulful grooves and a full sound package you would expect from a live drum kit and Hammond organ. Bring your soul mates along and groove to your soul's content with Rachel & Soulmates.
